2017 Stingray Run Donation Information

About St. John the Apostle Catholic School: Our mission is to guide each student in the formation of values and moral code consistent with Catholic teaching. Successful learning begins with dedicated teachers and staff who are committed to providing quality academic programs. The partnership of teachers, family, and community challenges the students to excel in their physical, social, spiritual, and academic endeavors.

SJA is home to approximately 370 children in grades Pre-K through 8th Grade; we welcome students of all denominations and offer several scholarship and tuition assistance opportunities. Our children excel academically; 87% of our 3rd to 8th Grade students were on the Principal's List or Honor Roll during the '15-'16 school year.

We would love for you to be a part of SJA! By making a donation to our race and school, you will be aiding in funding programs such as the STREAM initiative (**S**cience, **T**echnology, **R**eligion, **E**ngineering, **A**rt, and **M**ath), classroom technology such as kindle readers, and re-developing our playground. Should you decide to donate*, know that you are not just donating to a school but to a community. We, at SJA, believe in paying it forward and we do that by serving our community. Our 80 Middle School students contributed an impressive 4,255 hours of community service during the '15-'16 school year. That's an amazing average of 53 hours per student. At SJA, we don't just teach integrity and community mindedness, our students are proof that we live it!

Thank you for your consideration!

God Bless,

Tava Kokx
Race Director
