SJA Stingray Run
May 18, 2019

St. John the Apostle Catholic School is excited to announce our **5K and 1 Mile Stingray Run which will take place on Saturday, May 18th** in Sandbridge beginning and ending at Sandbridge Island Restaurant! The scenic course will give our runners a fast, flat route as well as provide families an opportunity to enjoy the beach once the race has ended. It is a great day filled with fun and excitement for the families in our community, as well as the dedicated community of race runners. Enjoy lunch afterwards at Sandbridge Island Restaurant!

Goals: We have three primary goals for this year's event.

1. Continue to promote fitness and a healthy lifestyle for our youth.
2. Increase participation from last year's runners through increased staff and student participation, as well as additional marketing of the event to our parish and surrounding community.
3. Raise money for our students to be used towards the day-to-day budgetary needs of our privately funded school.

Event Activities: In addition to the race on Saturday morning, we will hold our traditional Spaghetti Dinner on Friday evening. Runners and their families will have the opportunity to pick up their race packets at this event or after school.

Ways to Participate: We are inviting local businesses to participate with a variety of sponsorship opportunities as listed on the next page. **If you choose to be a Presenting Sponsor or T-shirt Sponsor, you will automatically be eligible for our SJA Partners in Education Program. This program has the benefit of promoting your services to our SJA families.** Contributions must be received by May 1st. Your contributions may be tax deductible according to IRS rulings. For your records, the SJA Tax ID # is 27-0038841.

Please contact Janet Beaulieu, at (757) 821-1100 X206 if you have questions or need additional information.

SJA Mission Statement

Rooted in the rich traditions of the Catholic Church, Saint John the Apostle Catholic School provides a Christ-Centered learning environment where students are challenged academically, supported spiritually, and encouraged to embody high ethical standards essential to moral development.
