Old Business:

- Minutes approved from March 2018.

New Business:

- Ministry Updates:
 - School Board:
 - Recent regional assessment was a great success; 22 of 70 benchmarks were assessed as best-of-breed. Assessors from the region are coming to help document SJA practices for dissemination to other schools.
 - Income was better than forecast due to gains in enrollments.
 - Floor work and summer camp are key planning items; 5K run upcoming
 - Jack Schick will be next Knights of Columbus Grand Knight.
- Discussion:
 - Re-scheduled hearing on proposed Grief Share Ministry to May's PPC meeting due to miscommunication.
 - Agreed to hold May PPC meeting in School Rm. 105.
- Discernment:
 - Bulletin ad on May 5/6 and May 12/13.
 - Announcements on May 12/13 and May 19/20.
 - Convener will work on ensuring we have building access, and that the kitchen is included in the reservation request.

Pastor's Comments:

- Child Time offer was submitted, however a different investor put in a much higher bid. It is possible they did not conduct as close of an inspection on the property and the building may not appraise for their offer price. It is not known if the appraisal is an issue because they may intend to raze the building and erect a new one.
- The SJA long-term master plan is on hold pending detailed planning on how to handle water runoff, a city requirement when concrete/pavement is being laid down.
- Church bathroom remodeling will take place after Confirmation, expecting a 40-60 day project during which only one bathroom will be available.
- Next Church Executive Board Meeting: 10 September.

Meeting was closed in prayer and adjourned at 6:50 p.m.

Next meeting: 5/9/18
