

Saint John the Apostle Catholic School

***Community engagement makes a positive impact on education
demonstrating the value to our students.***

Dear Community Business Partner,

We would like to extend an education partnership opportunity to you. SJA is growing at a rapid pace and more than ever we have a strong need for community donors like you to support our effort to realize our mission.

The purpose of our Partners in Education Program is to enhance our **“WOW” Points...the things that make us who we are and help distinguish our students from others.** Some of our **“WOW” Points** include the following:

- Exceptional faculty who share a passion for our Christ-centered mission to challenge students academically, support them spiritually and encourage them to embody high ethical standards, essential to moral development. Additionally, our faculty embraces the opportunities to continue their growth as teachers through ongoing professional development.
- A “STEM” Mindset and Hands on Approach hosting ODU at our “STREAM” (Science, Technology, Religion, Engineering, Art, Math) Day Annual Event
- A Diocesan Accredited Curriculum Program
- Technology for Individual Student Use
- A Safe, Clean and Engaging Learning Environment

By pairing school goals with community financial resources, partnerships enrich the learning for our students and promote academic success. Funding for continued investment into our **“WOW” Points** includes both strategic and quality, long-range planning.

Currently we offer the following advancement programs/projects:

- SJA Annual Appeal
- Virginia Education Improvement Scholarship Tax Credit Program
- Partners In Education Program
- On-going Community Tours to Potential Investors/Partners
- Annual SJA Golf Classic/Stingray Run Event

Saint John the Apostle Catholic School

As a Partner in Education, we ask that you support at least one of our major school events/programs noted above or make a financial donation of \$1,000.00 or more to the SJA Annual Appeal. **To make a donation, visit us at www.sjvb.org.**

What's in it for you?

As a Partner in Education, your company logo will be placed on our **SJA “Wall of Champions”** for all to see. In addition, your logo will be featured monthly in our school newsletter and one business owner/professional will be highlighted each month in our SJA Development Digest publication. This allows SJA to get to know you/your company so that we can better refer our families to you for the services you provide. In addition, we often give “shout outs” recognizing our partners throughout the school year at various family programs and events.

If you would like to join SJA as a Partner In Education, we would be honored. Please contact Janet Beaulieu, Development Coordinator or Miriam Cotton, Principal for further details. You may also mail a donation directly to us at 1968 B Sandbridge Rd., Virginia Beach, VA 23456 or donate online at www.sjvb.org/school.

We would greatly appreciate your support and commitment to our mission and the individualized education of our students.

Become a Partner in Education today and make a difference in the lives of our students.

Kindly,

Janet Beaulieu
Development Coordinator
